

Gauss-law checks do not certify the Wilson-loop sector

Injected case	Local Gauss checks	Wilson sector	Diagnosis
No error	PASS (1.000)	CORRECT (1.000)	target state
Gauge-violating Z0	FAIL (0.000)	CORRECT (1.000)	detected locally
Gauge-preserving sector-flip X0	PASS (1.000)	WRONG (0.000)	Gauss-only blind spot
